This week you might like to pray for

- Our church as we start the process of seeking a new Vicar and all those involved with this work
- Those who are helping with service planning, and arranging for clergy to cover services
- All affected by the earthquake in Morocco, for the terrible loss of life and families as they find themselves without a safe place to take refuge
- For Libya, after severe flooding, taking many lives and homes.
- Our Harvest Festival Service on 24 September, and Revd. Bill Church presiding

For many decades there has been a joint Churches Together prayer meeting which gathers to pray for our town for just half an hour once a month. We used to meet at the Clock Tower but now meet in St Catherine's and St Paul's Church at 7.30am on the first Wednesday of every month. All are welcome. If we are not in the foyer, we will be in the first small meeting room to the left of the foyer.
